RE: RICKY REEVES

Ricky has been employed at Affco Imlay for approximately 7 years.

During this time he has excelled in all areas of boning and packing. His room is a multi-species Cutting Department i.e. Lamb, Mutton and Bobby Calves and Ricky is competent in all three specialised areas.

Ricky also has a wealth of experience in dealing with people. He has been the room Union Delegate for the past 4 years and has performed a very good job for his fellow workers. His willingness to help others is a special quality, without question he is a "Team Player".

In summary Ricky is a thorough and professional person and I wish him well in any further pursuits of his career.
